Situated at the end of a private, no through lane, on an extensive plot, this property presents a fabulous opportunity with planning permission granted for a separate 4-bedroom dwelling.

Externally this home is surrounded by generous gardens, vibrant greenery and open countryside views. The attractive gardens have been thoughtfully created using a range of materials and diverse planting to add structure, texture and character to the landscape

Built in 2014 to Code 4 for Sustainable Homes, an air source heat pump (replaced in 2023) and solar panel for hot water help to reduce energy costs, a highly desirable asset in current times.

The spacious and versatile 4 bedroom accommodation, 162 sqm (1740 sqft), is well presented throughout with the ground floor comprising entrance hall, cloakroom, well fitted kitchen/breakfast room, lounge/diner with wood burning stove and access to the garden, fourth bedroom/family room and a useful utility room. Three good size double bedrooms, one with a glass and steel balcony with far reaching country views, smart bathroom and en-suite shower room occupy the first floor.

An attractive, bespoke garden building incorporates a garage, car port and studio or home office, ensuring a dedicated workspace and work/life balance.
