Superb, spacious and stylish.

This home offers deceptively spacious and comfortable accommodation, comprising an entrance hall, a dual-aspect lounge filled with natural light, and a timeless cream Shaker-style kitchen with integrated appliances. A particularly useful utility room adds further practicality, with potential to accommodate a cloakroom, subject to the necessary consents. Upstairs, there are three well-proportioned bedrooms and a contemporary shower room.

The thoughtfully designed rear garden, with a neat low maintenance layout, provides a peaceful and inviting space for relaxation and entertaining.

To the front, the garden has been cleverly arranged to combine a paved driveway offering parking for several vehicles with an area of lawn. Established planting along the borders adds a softer touch, creating an attractive balance between practicality and greenery.

Situated in a popular location on the outskirts of Herne Bay, a traditional seaside town offering a wide range of amenities, this appealing home combines comfortable living with everyday convenience.
