Description

An elegant detached double fronted Victorian family home recently extended and modernised to provide truly stunning accommodation of approximately 2500 sqft, occupying this terrific corner plot providing a large rear garden, garage and ample off street parking.

The larger than average ground floor footprint is ideal for family life and entertaining, the spacious central hallway creates a sense of separation, dividing the 2 generous front reception rooms which benefit from high corniced ceilings, impressive fireplaces and ornate parquet flooring, however the wow factor is at the rear, the 3rd reception room is open to a fantastic 25' high specification kitchen/diner with feature vaulted ceiling and full height sliding doors leading directly to rear garden, there is also the real benefit of a fully equipped utility room.

On the first floor there is a master suite with walk-in wardrobe and en-suite, 3 further double bedrooms either side of the impressive landing and recently fitted family bathroom. On the second floor there is a large loft room which has access to a shower room on the mezzanine landing.

Externally there is a beautiful 63' x 43' walled rear garden with home studio/gym and 'sitootery' - providing an ideal external entertaining area, there is also the distinct advantage of a large garage with remote controlled door which provides ideal storage and ample parking to the front. The total square footage including the garage and outbuilding exceeds 3000 sqft and there is further potential to extend at the side, subject to the necessary consents.

Properties of this size in this highly sought after location are rarely available, we would thoroughly recommend an internal viewing to fully appreciate what this delightful home has to offer.
