Situation

Craven Road is a particularly sought after residential tree lined road within the popular North Kingston area and ideally positioned between Richmond Park and the River Thames. The property is conveniently positioned for both Norbiton and Kingston stations giving direct access into Waterloo, and the A3 which serves both London & the M25. Kingston town centre with its array of shops and restaurants is a short distance away and the standard of schooling in the immediate area is excellent within both the private and state sectors.
