Description

This fine property has been thoughtfully designed and refurbished using the highest quality of materials to create a beautiful family home with impressive accommodation approaching a maximum of 2000 sq ft (including home office, eaves and store) arranged over 3 floors. The emphasis on the ground floor is on family life and entertaining, the wow factor is a stunning 32' Kitchen/diner/family room with an extensive range of Mele appliances, feature vaulted ceiling and bi-folding doors leading directly onto a landscaped rear garden with a generous home office/playroom. The upper floors are extremely well balanced; on the first floor there is a spacious landing with fitted storage, 2 good sized double bedrooms and a superb 11' luxury bathroom with a Villeroy & Boch suite and a walk in shower. The conversion on the top floor provides larger than average head heights and there are 2 further double bedrooms with vaulted ceilings and a well appointed shower room. There is an abundance of storage throughout the home to include a large storage room at the side. High ceilings, dual aspect windows and full height doors also make the property incredibly light, properties matching this exacting specification are rarely available in the immediate area and we would thoroughly recommend an internal inspection at your earliest convenience - Open day Saturday 25th June - viewings strictly by appointment.

Situation

The top section of Shortlands Road is a particularly sought after location in popular North Kingston, moments from Richmond Park. The property is ideally situated for both Kingston and Norbiton stations giving direct access into Waterloo and the A3 which serves both London & the M25. Kingston town centre with its array of shops, restaurants and bars is a short distance away. The standard of schooling in the immediate area is excellent within the private and state sectors and the area has an extensive range of leisure facilities.
