Description

An attractive brick fronted 3 bedroom semi-detached family home built circa 1950, occupying an enviable position surrounded by greenery in this sought after location between The Groves and Coombeside. The property has been maintained to a good standard over the years with improvements to include full double glazing, refitted boiler, off street parking for 2 cars to the front (accessed via a shared driveway) and a porch extension.. Uniquely, this fine home benefits from pleasant views at the front and rear, with the open spaces of Barton Recreational Green opposite and allotments directly behind. The spacious accommodation approaching 1000 square foot (to include the outbuildings) offers; enclosed porch, entrance hall with scope to create a cloakroom, kitchen with fitted appliances and an impressive 21'8 double reception room with sliding patio doors to a delightful westerly aspect garden backing directly onto allotments. On the first floor there is 3 bedrooms (2 doubles) and a family bathroom. There is tremendous potential to extend at the rear and convert the loft (subject to the necessary consents) which would create a terrific family home of approximately 1500 square foot in one of New Malden's most sought after locations. Freehold family homes of this size are rarely available in this location at this price point and therefore we would thoroughly recommend a viewing - OPEN DAY SATURDAY 30TH SEPTEMBER 2023.
