An attractive detached Victorian villa situated in this sought after North Kingston location with generous accommodation in excess of 1100 square foot, presented to a good standard and chain free, and offering tremendous potential for further extension.

Description

An attractive detached Victorian villa with generous accommodation in excess of 1100 square foot, presented to a good standard and offering tremendous potential for further extension. The spacious ground floor is ideal for entertaining and enjoyment, 2 rooms have been knocked through to form a terrific 26'6" open planned space, the rear section of this room is ideal for working from home or as play area for the children and there is a cloakroom adjacent. The large modern fitted kitchen/diner at the rear of the home is fully equipped with a range of units and appliances, ample space for table and chairs and provides direct access to a mature and secluded west facing rear garden - larger than average and measuring almost 50'. To the upper floors the large landing gives access to 3 double bedrooms, the 2 larger bedrooms each measure approximately 150 square foot and the smallest almost 84 square foot, there is also a family bathroom. The property has tremendous potential to build a large ground floor extension and convert the loft (subject to consent) to add an additional 1/2 bedrooms and bath/shower room, these extensions could provide a total footprint of approximately 1800 square foot. In summary properties of this size and style with extension potential and chain free are rarely available, therefore we would thoroughly recommend a viewing appointment at your earliest convenience to avoid disappointment.
