Description

An elegant detached double bay fronted Edwardian residence which offers balanced accommodation approaching 1500sq ft (1627sq ft including loft) arranged over two floors. The emphasis over the larger than average ground floor is on family life and entertaining, the spacious rooms are complimented by an impressive rear extension which features a vaulted ceiling and offers direct access to the delightful south facing rear garden. The first floor offers three double bedrooms, en-suite and family bathroom. The master bedroom has a bay window which brings in a fantastic amount of light and the guest bedroom at the rear has pleasant views over the rear garden and neighbouring gardens beyond. There is tremendous potential to convert the loft space which would provide an additional two double bedrooms and a bathroom similar to other properties on the road (subject to the necessary consents). Externally there is the rather unique benefit of off-street parking to the front.
