A substantial detached Grade II Listed farmhouse, a fully converted Granary, a large Threshing Barn and stable block, both with planning permission for conversion to two further residential dwellings if required. Situated in an elevated position with far reaching views and with 8.61 acres of paddocks and grazing, Hook Park Farm represents a wonderful opportunity to create a substantial equestrian home with options for multi-generational living or additional incomes, or the potential for further development into a substantial residential complex. The main farmhouse offers over 3600 square feet of residential accommodation currently including five reception rooms, six bedrooms and three bathrooms. The property is generally sound and represents a fantastic canvas for further refurbishment and modernisation. The previously converted detached 19th century Granary offers characterful accommodation including a large lounge, dining kitchen, two double bedrooms and two bathrooms.

The 2679 sq ft Threshing Barn and 1312 sq ft Stables, have planning permission for conversion to two separate dwellings if required. In a wonderful rural location yet with excellent access to Malvern, Upton upon Severn and Cheltenham, viewing is a must to appreciate the potential of home on offer.

LOCATION

Hook Bank is an idyllic, elevated hamlet situated along a ridgeline in the glorious south Worcestershire countryside. Located just a few miles south-west of the historic spa town of Malvern, this charming location perfectly bridges the gap between peaceful rural living and modern urban convenience, allowing buyers a county retreat without sacrificing connectivity. The Malvern Hills, an Area of Outstanding Natural Beauty (AONB) provides a wonderful backdrop to the property and offers miles of footpaths and bridleways right on the doorstep. Clives Fruit Farm with its deli and cafe are a short walk away and the Three Counties Showground within two miles. For schooling the property sits between Hanley Swan and Welland Primary School and is in catchment for Hanley Castle High School. Excellent private schooling is available in Malvern, Worcester or Cheltenham. For commuters the M50 and M5 are within easy reach and there are mainline train services available at Great Malvern or Worcester Parkway with direct links to London Paddington and Birmingham New Street.

:spacious hall, triple aspect sitting room with corner fireplace, large
