Lancasters are pleased to present to the market this welcoming 4 bedroom family home. There are 3 double bedrooms in addition to a good sized single bedroom. The layout downstairs flows nicely from one space to the next taking you through to the newly fitted kitchen overlooking the pretty and well proportioned garden which itself gives direct access to woodland walks beyond. Over the years this house has been extended to provide the family friendly space it is today however due to the layout there is scope for further extension (STPP) should any new owner wish. Overall this a great family home only a short stroll away from Banstead Village and must be viewed to fully appreciate what is on offer. Please call our office to arrange a suitable viewing slot - 01737 371700.
