

68 Thames Way, Hilton, Derby, DE65 5NB

Offers Over £294,000

A rarely available four bedroom semi detached home on the southern edge of Hilton, enjoying views over the Remembrance Garden. Open plan kitchen and dining space, separate lounge, plus a converted garage family room. Driveway parking, enclosed rear garden, and en suite to the principal bedroom.

Summary Description

Set towards the southern edge of Hilton, Derbyshire, this rarely available four bedroom semi detached family home enjoys a pleasant outlook over the Hilton Remembrance Garden to the rear. With a converted garage creating an additional ground floor reception, it offers flexible space for modern family life, home working, or a snug for movie nights. Driveway parking for two vehicles and an enclosed rear garden add to the everyday practicality.

The accommodation begins with a welcoming entrance hall and a bright lounge with wood effect flooring and a bay window. The heart of the home is the open plan kitchen and dining space, which opens to the garden through double French doors and provides fitted units, an integrated oven with gas hob, tiled splashbacks, under stairs storage and space for appliances. The converted garage now forms a comfortable family room with built in window storage, ideal as a playroom or second sitting area. A rear lobby provides additional access outside, and a guest cloakroom and WC completes the ground floor. Upstairs, the principal bedroom includes fitted wardrobes and an en suite shower room, supported by three further bedrooms and a family bathroom.

Hilton is a popular South Derbyshire village with a strong community feel and a good choice of local amenities including shops, cafes, takeaways and leisure facilities. Schooling options are available in the village and nearby areas. For commuters, there are bus services and convenient road links towards Derby and Burton upon Trent, with straightforward access to the A50 and A38 for wider connections including the M1 and East Midlands Airport. Nearby parks, green spaces and footpaths are ideal for walks.
