Summary Description

5 Cumbria Walk, Mickleover is a two double bedroom mid terraced home offering a practical layout with well-balanced living space and low maintenance outside space. It is presented in neutral tones throughout with the opportunity for a new owner to personalise. There is also the benefit of a separate garage providing additional outdoor storage as well as private parking. Providing approximately 62 square metres (666 square feet) of accommodation, it could particularly appeal to first time buyers, downsizers or landlords seeking a Buy to Let investment in this established Derby suburb.

The ground floor begins with an entrance porch leading into a comfortable lounge and dining room, providing flexible space for everyday living and dining, with an open staircase rising to the first floor. To the rear, the fitted kitchen offers useful storage and workspace, space for a freestanding cooker and washing machine, plus direct access to the garden. Upstairs are two genuine double bedrooms, with the main bedroom featuring fitted wardrobes and dressing furniture, together with a fully tiled bathroom. Outside, the enclosed rear garden is designed for relatively low maintenance, while a single garage and additional parking immediately in front provide valuable off road parking. The pedestrian approach to the front also creates a quieter setting away from passing traffic. While some updating would enhance the property, the existing layout provides an excellent starting point for improvement.

Regular bus routes provide connections towards Derby city centre and Royal Derby Hospital, while nearby road links give convenient access to the A38, A516 and A50.
