# 38 Ashton Drive, Boulton Moor, Derby, DE24 5DB

## Summary Description

Positioned within a pleasant cul de sac in Boulton Moor, 38 Ashton Drive is a well presented three bedroom semi detached home offering practical, modern living space, allocated parking and an attractive enclosed rear garden. Built in 2019 and still within its NHBC warranty period, the property is likely to appeal to first time buyers, downsizers and investors looking for a freehold home in a convenient residential setting close to Derby.

The accommodation extends to approximately 75 square metres (805 square feet) and includes an entrance hall, comfortable front facing lounge and a well appointed kitchen/diner to the rear, with French doors opening directly onto the garden. The kitchen provides fitted storage, integrated oven, gas hob, extractor and space for further appliances. A useful guest cloakroom completes the ground floor. Upstairs, there are three bedrooms, including a principal bedroom with en suite shower room, together with a family bathroom and landing storage. Externally, the home benefits from two allocated parking spaces, a landscaped rear garden with patio, decorative gravel areas, a powered summerhouse and a pleasant outlook towards a public pathway and balancing ponds. Rear roof mounted solar PV panels also help generate electricity during daylight hours, with the system being grid connected and currently without battery storage.

Boulton Moor is a popular residential location offering convenient access to local amenities, schools and everyday services in nearby Alvaston, Chellaston and Derby city centre. The area is well placed for road links including the A6, A50, A52 and wider commuter routes, while Derby railway station provides rail connections to major regional and national destinations.

### Outside

#### Frontage and Parking

To the front, the property is approached via a small gravel forecourt with hedged boundary and a short paved pathway leading to the entrance door. Parking is provided by two allocated spaces positioned in front of the house. A particularly attractive feature is the pleasant outlook, with a public pathway and nearby balancing ponds helping to create a more open, nature friendly setting.

## Rear Garden

The rear garden offers an enclosed and private outdoor space, thoughtfully landscaped for low maintenance enjoyment. A paved patio provides an ideal area for outdoor seating, with decorative gravel borders and a central gravel pathway leading to a summerhouse at the rear, complete with power. The garden also benefits from a cold water tap, outdoor power socket and gated access to the side passage.

## Useful Information

The property was built in 2019 and remains within the NHBC warranty period. It also benefits from rear roof mounted solar PV panels, helping to generate electricity during daylight hours. The system is grid connected and does not currently include battery storage.
