Chain Free - Fully refurbished three bedroom semi in a quiet Mickleover cul de sac, featuring integrated smart tech, a new kitchen and bathroom, stylish dining room with corner bi folds, generous garden and parking, all within walking distance of the village centre and transport links.

39 Fenton Road, Mickleover, Derby, DE3 0EP

Summary Description

Nestled at the end of a quiet cul de sac in ever popular Mickleover, this fully refurbished three bedroom semi detached home combines smart technology with practical modern living. Set within a development of similar aged homes and a short walk from the village centre, it offers a generous plot with parking and a wide lawned frontage, plus a good sized rear garden.

The remodel includes new windows and doors with an anthracite external finish, a full rewire, new smart central heating and boiler, replastering throughout, a new kitchen and a stylish new bathroom with smart underfloor heating. The hub of the home is the dining room where corner fitted bi fold doors open to the decked patio and garden. The breakfast kitchen features contemporary units, integrated appliances and French doors to the outside. An Amazon Echo Hub integrates lighting and heating control, while the lounge enjoys a decorative fireplace. Upstairs are three bedrooms and a sleek bathroom with rainfall shower. Outside, the gravel driveway provides parking for two cars and the rear garden is low maintenance with lawn and decking.

Mickleover is a well served village with supermarkets, cafes, pubs and health facilities, together with reputable local primary and secondary schooling. Regular bus services connect to Derby city centre and nearby employment hubs. The location gives easy access to the A38, A50 and onwards to the A516 and A52, making regional travel straightforward, while green spaces and local walks are close by.
