5 Churnet Road, Hilton, Derby, DE65 5LF

Summary Description

Located within a popular modern development in Hilton, Derbyshire, this freehold three bedroom detached home offers well balanced and thoughtfully improved accommodation extending to 99 square metres (1063 square feet). The property has been extended to the rear and also benefits from a garage conversion, creating a more versatile layout that will suit a range of buyers, including families, professionals working from home, and those seeking a property that is ready to move into. Internally, the presentation is smart and consistent throughout, while outside there are front and rear gardens together with driveway parking.

A particular strength of the property is the generous open plan kitchen and dining space at the rear, designed to create a practical and sociable hub of the home. The kitchen is fitted in a shaker style with integrated appliances, a stone breakfast bar, and useful under stairs storage, while the dining area is enhanced by French doors to the garden and a large rooflight that helps bring in natural light. The converted garage now provides a separate study and utility room, adding flexibility for home working, hobbies, or day to day household use. There is also a downstairs WC, fitted wardrobes to the main bedroom, and an enclosed landscaped rear garden with patio, decking, pagoda, outdoor power, lighting, and cold water tap.

Hilton remains one of South Derbyshire's most popular village locations, offering a wide range of everyday amenities including shops, supermarkets, cafes, schools, and healthcare facilities. The village is well placed for access to Derby, Burton upon Trent, and the A50, making commuting straightforward. Public transport connections are also convenient, and the area is well regarded by buyers looking for a strong blend of village community, practical amenities, and access to surrounding employment centres.
