## Summary Description

The Old Barn, Main Street, Hilton is a distinctive four bedroom detached barn conversion set on a substantial plot in the heart of Hilton, Derbyshire. Originally dating back to around 1850 as a grain storage barn serving the Old Mill on Mill Lane, the property was later converted to residential use and has evolved over time into a spacious and characterful family home. Extending to approximately 165 square metres (1773 square feet), this home combines period charm with practical living space, making it well suited to buyers seeking something individual, central and versatile.

Inside, the layout offers excellent flexibility with four reception rooms including a dining room, lounge, study and garden room. Character features such as exposed beams, leaded internal glazing and a decorative fireplace sit comfortably alongside modern touches including a fitted kitchen with island and range cooker. The principal bedroom is a particularly strong feature, offering a generous sleeping area, dressing space and en suite shower room. There are three further bedrooms, a four piece family bathroom, a ground floor WC and useful built in storage. Outside, the property continues to impress with a sweeping driveway, ample parking, a large garage workshop and a private landscaped rear garden with patio, lawn, decked seating area and gazebo.

Hilton remains one of South Derbyshire's most popular villages, offering a strong range of everyday amenities including shops, pubs, cafes, schooling and healthcare facilities. The property is well placed for access to Hilton Primary School and John Port Spencer Academy in nearby Etwall, subject to catchment and admissions. For commuters, the A50 is within easy reach, linking Derby, Burton upon Trent, Uttoxeter and the wider motorway network, while regular bus services connect Hilton with surrounding centres.
