£325,000

Immaculately presented three bedroom detached home in a quiet Hatton cul de sac. Upgraded kitchen and bathrooms, Amtico flooring, shutters and oak doors. Bright lounge, kitchen diner with French doors, utility and downstairs WC. Driveway, detached garage, and a smart private enclosed garden with patio.

Summary Description

Tucked away in a quiet cul de sac on a recently completed Bellway and Ashberry Homes development in Hatton, Derbyshire, this three bedroom detached home is ideal for buyers seeking a modern layout and an impressive finish. It benefits from driveway parking, a detached single garage with light and power, and an enclosed rear garden.

Inside, the entrance hall sets the tone with herringbone wood effect Amtico flooring and neutral decor, complemented by fitted wooden shutters that continue throughout the home. The lounge is bright and comfortable, with windows to the front and both sides and a contemporary fitted media wall. The kitchen diner is a real highlight, finished with Shaker style units, marble effect worktops, and integrated appliances including an oven, gas hob, extractor, fridge freezer, and dishwasher, with French doors opening onto the garden to create a light, sociable space. A separate utility room mirrors the kitchen units, provides space for a washing machine, and includes an under stairs pantry cupboard with the main internet point. A useful downstairs cloakroom completes the ground floor. Upstairs, bedroom one offers fitted wardrobes and a modern en suite with a double shower, while bedrooms two and three are well proportioned and served by a smart family bathroom with shower over the bath. For added peace of mind, the property is fully alarmed, including the detached garage.

Hatton offers a convenient village base with access to nearby amenities and countryside walks, plus a choice of schooling in the surrounding area. Derby, Burton upon Trent, and Uttoxeter are within easy reach, with good access to the A50 and nearby rail services from Hatton and Tutbury station.
