Charming Character Cottage in the Heart of Coalbrookdale

Nestled within the historic and highly sought-after village of Coalbrookdale, this delightful two-bedroom mid-terrace cottage beautifully combines period charm with practical modern living. Full of character throughout, the property features exposed beams, traditional brick fireplaces and a cosy wood-burning stove, creating a warm and inviting atmosphere from the moment you step inside.

The ground floor opens into the sitting room which enjoys a wealth of character, centred around the attractive inglenook-style fireplace with wood burning stove. A door leads through to a kitchen breakfast room with door out to side access. To the first floor are two well-proportioned bedrooms together with a contemporary shower room.

Externally, the property benefits from a charming cottage-style garden to the front, to the rear are steps up to the garden which can also be accessed from a lane at the rear.
