Property Description

A unique opportunity to acquire a three bedroom semi-detached home requiring full renovation, occupying a particularly generous plot extending to approximately half an acre. Ideally positioned along Stanley Lane, the property enjoys a convenient setting within walking distance of Bridgnorth town centre and close to Bridgnorth Golf Club.

Offering considerable potential for a purchaser looking to create a home to their own specification, the property requires comprehensive refurbishment throughout and currently has no central heating. The generous plot and existing footprint also offer excellent potential for extension and further enhancement of the accommodation, subject to obtaining the necessary planning permissions.

The ground floor accommodation is approached through an entrance hall with stairs rising to the first floor. A generously proportioned living room provides the principal reception space, while the kitchen sits towards the rear and benefits from useful adjoining storage.

Beyond the kitchen is a conservatory, providing additional space and access out to the extensive grounds. Completing the ground floor is a bathroom with bath and wash hand basin, together with a separate WC.

Upstairs, the first floor landing gives access to three bedrooms, including an especially generous principal bedroom, alongside two further well-proportioned rooms.

Outside is where the property offers significant further appeal. Set within a plot of approximately half an acre, the extensive grounds provide an excellent blank canvas for landscaping and outdoor living. The size of the plot further enhances the potential to extend the existing property and create a larger family home, subject to planning permission.
