Location

Sitting just off Walsgrave Road in the heart of Ball Hill, one of Coventry's best-known and busiest local shopping areas. The location benefits from a steady flow of passing traffic and footfall throughout the day, supported by the surrounding residential neighbourhood and the wide range of independent shops, cafés, takeaways and service businesses nearby. Walsgrave Road is a main route into Coventry city centre and provides excellent public transport links, with regular bus services running along the road. The property is also conveniently positioned for access to the A46, A45 and the wider motorway network, making it easily accessible for both customers and staff.

Description

The ground floor provides a bright and welcoming open space to the front, with a large glazed shopfront allowing plenty of natural light and good visibility from the street. The property has had a new roof installed in 2021. The main trading area is well laid out and easily adaptable, whether continuing as a salon or reconfiguring to suit another business. To the rear, there is toilet space. On the first floor (accessible from the main sales area) there are two useable rooms, storage space and kitchen area. The exterior provides garden space along with a garage. This is a freehold commercial property currently operating as a hair and beauty salon, offering a great opportunity for an owner-occupier or investor. The premises would naturally suit continued use within the hair and beauty sector, but could also work well for other service-based businesses, subject to the usual consents. There would also be potential to convert back to residential as a whole or half, along with potential to extend to the rear or into the loft space (subject to planning). This property is to be sold with vacant possession.
