Property Description

Andrew Granger are delighted to present this beautifully maintained five-bedroom detached home on Station Lane, ideally positioned between Scraftoft and Thurnby. Boasting uninterrupted countryside views and a generous rear garden, this property offers a perfect blend of modern living and scenic surroundings — ideal for entertaining or relaxing on summer evenings.

Situated in the desirable Scraftoft area, the property enjoys the benefits of a semi-rural setting while remaining close to local amenities, Fernvale Primary School, and major routes such as Uppingham Road and Scraftoft Lane. The spacious plot allows for impressive outdoor space and future development potential, including the option to convert the existing five-bedroom layout into six.

Spread over three floors, the home opens with a bright entrance hall, leading to a snug and home office on either side. The ground floor also features a WC, utility room with garage access, and a large open-plan living area at the rear. This space includes a fully fitted kitchen with integrated appliances, high ceilings, exposed brickwork, and stylish finishes. Underfloor heating runs throughout the ground level, and bi-fold doors open out to the garden, extending into open fields. A log burner and carpeted lounge add to the cosy, welcoming atmosphere.

Upstairs, the first floor offers four double bedrooms, including a Jack and Jill en-suite between the two largest rooms, and a private en-suite in bedroom three. A modern family bathroom and a Juliet balcony with views of the countryside complete this floor.

The top floor features a large fifth bedroom, currently used as a family room, with potential to create a sixth bedroom and en-suite. Plumbing is already in place, and storage is available in the eaves.

Additional features include a private gated driveway, separate garage, solar thermal heating, double glazing throughout, and a thoughtfully extended layout — making this an exceptional family home.
