We are delighted to be instructed to market this exceptionally spacious and beautifully appointed four double bedroom detached residence constructed in 2020 and significantly enhanced by the current owner. This outstanding home combines modern design with luxurious finishes and thoughtful upgrades. A particular highlight is the addition of a superb conservatory, creating an impressive entertaining space that enjoys views over the landscaped rear garden.

Internally, the accommodation is both generous and well-proportioned. The welcoming entrance hall leads to a downstairs cloakroom, a spacious dual-aspect lounge, a separate dining room ideal for formal entertaining, and a stunning kitchen/breakfast room fitted to a high standard with ample workspace and dining area. The conservatory/garden room provides additional flexible living space and seamlessly connects indoor and outdoor living.

Upstairs, the impressive principal bedroom benefits from a stylish en-suite shower room, while bedroom two also enjoys its own en-suite facilities — ideal for guests or older children. Two further well-sized double bedrooms are served by a contemporary family bathroom, completing the first-floor accommodation.

Externally, the south-facing rear garden has been thoughtfully landscaped and meticulously maintained, providing an attractive and private setting for outdoor relaxation and entertaining. The garden leads to a detached double garage, offering excellent storage and parking, in addition to driveway space.

The property occupies an enviable position on the very edge of the village, offering a perfect balance of peaceful surroundings and excellent connectivity. Milton Keynes is within easy reach, along with mainline train stations providing fast links to London, and convenient access to the M1 motorway.

Homes of this size, quality and location rarely become available. This is truly a must-see property to fully appreciate the space, specification and lifestyle on offer.
