Step inside this spacious four-bedroom family home, situated in the popular town of Newport Pagnell.

The ground floor comprises a welcoming entrance hallway leading to the first reception room, which is currently being used as a gym. Further along the hallway is the bright and spacious living room, which benefits from windows at both ends, allowing plenty of natural light to flow through. This is an ideal space for relaxing and unwinding in the evening, with double doors leading through to the separate dining area.

The dining room provides access to the kitchen, which also benefits from a separate utility room and downstairs cloakroom.

Upstairs, the property offers three good-sized double bedrooms, with all four benefiting from built-in wardrobes as well as the master bedroom which also features a private en-suite. Three out of four of the upstairs bedrooms also benefit from having air-conditioning. A family bathroom completes the first floor.

To the side of the property is a double garage, which also provides convenient access to the rear garden. The landscaped garden offers a pleasant outdoor space and can be accessed directly from both the kitchen and dining room. To the front, there is off-road parking for at least three vehicles with electric vehicle charging.
