£650,000

Beautifully presented, this light and spacious 3 double bedroom bungalow is located just off Carlton Road within a private lane. Having been extended in 2016 across the rear by the current owners the property now boasts a open plan living: The living area has a feature gas fire and is open to the dining area; the dining area has underfloor heating, bifold doors onto the garden and an impressive lantern roof; the dining area is also open to the modern kitchen/breakfast room with its range of high gloss units, breakfast bar & side door. There is also a utility room off the dining area with underfloor heating. The 3 double bedrooms are located to the front of the property, with bedrooms 1 and 2 having fitted wardrobes. The bathroom is a white suite with tiled surrounds, wash basin, toilet and shower over the bath. There is also a separate toilet with washbasin adjacent.

Outside the rear garden is predominantly laid to lawn with an extensive patio adjoining the property, that stretches around the side to the garage – providing a 'kitchen patio' with rotary line area. The garden is private, established bushes to the rear and with secure side access. The garage has a electric up/over door to the front, with window courtesy door to the rear (please note that a 'gardeners closet' was also located to the rear of the garage and could be re-instated if needed). The front is laid to lawn with a side bed, whilst a long drive (for several vehicles) and path lead to the property.

Accessed via Carlton Road, Kings Mead Lane is a private no through road. Less than half a mile from Claremont Roads shopping parade and within three quarters of a mile of Seaford town centre with all its amenities. These include frequent bus services to Eastbourne and Brighton, a railway station with services to London/Victoria, various shops, cafes and public houses. Seaford is surrounded by the South Downs National Park and has an uncommercialised seafront promenade which is approximately two miles long. The town also benefits from two golf courses, two medical surgeries, a sailing club and numerous leisure activities.
