An enthralling detached residence showcasing striking architectural design, luxurious finishes, and breathtaking panoramic views over the surrounding downland countryside and beyond to the sea.

Commanding an enviable position found high above Peacehaven, precisely where the Greenwich Meridian line crosses the English south coast, within four miles distance of the harbour town of Newhaven, which in turn has excellent road and rail links to the county town of Lewes, this is a truly remarkable detached residence offering exquisitely appointed living accommodation extending to circa 5339 sq ft. Designed with modern life to the fore whilst affording sophisticated entertaining and social space, this stunning home promotes a seamless blend of architectural elegance and luxurious detailing throughout.

A spacious, light-filled reception hall leads into the main living and entertaining areas. The open-plan living and dining room features full-height glazing, framing panoramic rural and coastal views and flooding the interior with natural light. The bespoke kitchen is equipped with premium appliances, ample storage, and direct access to a large sun terrace, which is perfect for alfresco dining and entertaining against a backdrop of sea.

Located on the first floor, the master suite is undoubtedly one of the home's standout features. The spacious principal bedroom is enhanced by full-height south-facing windows that flood the space with natural light while beautifully framing the breathtaking sea and countryside views. Completing the suite is a large contemporary fitted bathroom and a dedicated walk-in dressing room.

The lower floor features four additional generously sized double bedrooms, including one with a luxurious en suite bathroom. This level also benefits from a fully fitted second kitchen and a separate laundry room, offering exceptional flexibility and convenience for modern family living or guest accommodation.

Outside the manicured driveway, offering ample parking for multiple vehicles, provides access not only to the main residence but also to a completely separate, self-contained one-bedroom annexe — ideal for guests, extended family, or independent living.

The magnificent landscaped gardens envelop the property, unfolding into expansive manicured lawns framed by an exceptional terrace designed for both elegance and entertaining. A striking architectural sleeper installation serves as a centrepiece, complemented by a stunning rill water feature that adds a sense of tranquillity and refinement.

The grounds are further enhanced by a collection of versatile outbuildings, including a fully equipped private gymnasium and a superb spa swim pool suite, creating a luxurious wellness retreat. In addition, the property benefits from a garage and a substantial additional storage facility.
