North Fourshire Farm, London Road

Moreton-In-Marsh, GL56 0PF

A rare opportunity to acquire a farmhouse with accompanying barns, set within approximately 16 acres, offering significant potential and requiring extensive refurbishment throughout.

Location

North Fourshire Farm is situated a mile east of Moreton-in-Marsh, an attractive market town in the heart of the North Cotswolds, offering an excellent range of everyday amenities. The town provides a variety of national and independent retailers, supermarkets, cafés, restaurants, hotels, a primary school, health facilities and leisure amenities, together with a market every Tuesday and excellent community services. Moreton-in-Marsh railway station offers direct main line services to London Paddington in approximately 1 hour 30 minutes.

The town is well positioned for access to a number of popular Cotswold centres including Stow-on-the-Wold (4.4 miles), Chipping Norton (8.5 miles), Stratford-upon-Avon (18 miles), Cheltenham (22 miles) and Oxford (28 miles), whilst the M40 motorway can be joined at Banbury (approximately 20 miles). The area is also ideally placed for access to Soho Farmhouse and Daylesford Organic. Excellent schooling in the area includes both Kingham Hill School and Kitebrook Prep School.

Description

A uniform ring fenced plot extending to 16 acres in total. North Fourshires Farm comprises detached stone build farmhouse adjoining a series of brick, stone and fabricated farm buildings and associated yard area. the land then extends to approximately 13 acres of pasture within which there is a further steel framed agricultural building. In addition there is a approximately 0.3 acres of woodland, which along with the mature hedgerow trees

surrounding the property provides a nice screen from the adjoining road.

The farm buildings include, three red brick buildings directly adjacent to the dwelling house, with a total footprint of approximately 128 square meters. The property then benefits from a characterful two storey stone build traditional farm building, which footprint is approximately 50 square meters. The steel frame agricultural buildings then consist of a Dutch barn with lean-to constructions off each side extending to circa 625 square meters.

Services

Mains water and electricity. The farmhouse and mobile homes have independent septic tanks.

Directions
