3. You withdraw your application.

### Venture Properties

We are Darlington's leading letting agent, letting more properties than any other agent in Darlington, and are proud to be an independent company. What does this mean for tenants? If the property is managed by Venture Properties, you will be assigned your own Property Manager who will look after you during the duration of your tenancy. The staff will be located in our Darlington office and not in a call centre out of town, which you will get with some other agents.
