GENERAL REMARKS AND LOCATION

23 Rose Meadows occupies a quiet corner of a mature residential development close to the centre of Goonhavern village. It was built for the late owner nearly 50 years ago and whilst a cherished home and generally well maintained some aspects are a little dated leaving scope for updating and redecoration. Replacement bay windows are a theme to both front and rear of the bungalow whilst elevations are rendered and spar dashed for low maintenance. There is oil-fired central heating and the boiler situated within the garage has been replaced in recent years.

Most internal rooms lead off a central hallway and in brief the accommodation comprises 3 bedrooms, bath/shower room, lounge and open plan kitchen/dining room. From the kitchen there is access to a rear hall/utility and this in turn gives access into a cloakroom and also the integral garage.

Rose Meadows is a small development of primarily bungalow properties accessed off the minor road leading from the centre of Goonhavern towards Perranporth. It is a very convenient location and within level walking distance of other local facilities including the pub, post office and general store, primary school and garden centre. Goonhavern is a popular village community set astride the A3075 and just 2-3 miles inland from the north cornish resort of Perranporth known for its spectacular beach and surf. Newquay is about 6 miles away and the city of Truro with its cathedral and shopping centre about 9 miles.

In greater detail the accommodation comprises (all measurements are approximate):
