GENERAL COMMENTS

Lower Penair Farmhouse is a very attractive detached period house located in a very convenient position on the outskirts of Truro City centre and within a short walk of Waitrose and excellent schools. The property is larger than it looks from outside with attractive stone elevations and retains many character features throughout including a fabulous inglenook fireplace with two clome ovens in the dining room. The house and gardens are extremely private. The house has a conventional layout over two floors and all the rooms enjoy views over the gardens. There are four bedrooms and bathroom on the first floor, the master has an en suite. The ground floor includes a fitted kitchen, dining room, large sitting room, study (or fifth bedroom) and shower room. The mature gardens are enclosed within dense boundaries with lawns and many mature shrubs and plants and a brick courtyard is located at the rear which enjoys complete privacy. Two driveways provides lots of parking for at least five cars. Across the lane is a superb full size tennis court, further garden and substantial wooden outbuilding. All of the windows and doors are double glazed and there is mains gas fired central heating. A brand new slate roof was added in 2025. The house is sold with no onward chain, an internal viewing is highly recommended.

private and there are far reaching views to the south and west over countryside. A brick terrace provides lots of sitting out space, also accessed from the conservatory and this enjoys complete privacy and sunshine all day. A brick path leads from the gravel driveway to the entrance door and onto the driveway where an arched door opens into the rear garden.

The rear garden is a lovely enclosed courtyard style garden enclosed within a high stone boundary wall. This area also enjoys sun for the majority of the day and has been bricked for ease of maintenance. There are deep flower bed borders stocked with mature shrubs and plants including hydrangeas, bay tree and raised beds. Steps drop to a lower gravel pathway that leads to the rear entrance porch. There are outside lights and tap.

TENNIS COURT, OUTBUILDING & FURTHER GARDEN

Across the access lane is the full size tennis court which is in good condition.
