DIRECTIONS

There are various roads to access the property but for the purpose of these instructions this is the easiest route for directions.

When travelling into St Austell from the Truro direction (on the A390) turn left when descending into the developed area of the town into Truro Road. Proceed straight across the first set of traffic lights and continue towards the town centre and at the second set of lights bear left again (Just by the Water Margin Chinese Restaurant). Continue along this road for a short distance and take the first right hand turning which leads into Grove Road. Proceed to the very top of the road and just after the road narrows the cottages will be found on the left hand side with Number 12 easily identified.
