GENERAL COMMENTS

The location of Caladrick Farm is very special indeed. Tucked away in a peaceful setting on the very edge of Veryan Green, the whole property enjoys complete privacy and fabulous far reaching views yet is within walking distance of Veryan stores, post office and public house. The property comprises a substantial detached modern house, fabulous outbuilding and approximately twenty one acres of land - a very rare combination to find on the Roseland Peninsula. The house itself is in excellent condition with large, well proportioned rooms and there is a feeling of light and space throughout. The accommodation includes five double bedrooms and bathroom on the first floor, the master has an en suite bathroom. The ground floor includes an entrance hallway, kitchen/breakfast room with Aga, conservatory, dining room, sitting room, utility, cloakroom and integral garage. All of the windows and doors are double glazed and most of the rooms enjoy far reaching rural views over the surrounding countryside. The house is set well back from a country lane and a tarmac driveway provides lots of parking. The gardens are enclosed with large lawns and many mature shrubs and plants. At the rear is a fantastic outbuilding that is approximately 60' x 30' with light, power and high roller door. This has huge potential for many uses and will be of great interest to purchasers requiring garaging for multiple vehicles with ample height for storing a motorhome, large boats etc. Beyond the garden is a second drive accessed from a rear lane (that also provides access to the land) that leads to the gardens, outbuildings and the paddock that comes with the main lot, here there is hardstanding for trailers etc. The land extends to approximately twenty acres divided into four individual fields and enclosed within natural hedge boundaries. A river runs along the northern boundary and a lane gives independent access to the land lots.
