GENERAL COMMENTS

White Lodge is a very attractive middle terraced period cottage located within Veryan Green in the heart of the Roseland Peninsula. The cottage retains many character features including traditional sliding sash windows, exposed beams and open fireplaces and is Grade II Listed. White Lodge has been in the same ownership for many years and has been well cared for. It is now in need of general modernisation internally and prospective purchasers are likely to replace the kitchen and bathroom. There is potential to extend at first floor level subject to consent and move the bathroom upstairs, this has happened to several of the neighbouring properties. The accommodation includes two double bedrooms on the first floor with kitchen, sitting room, dining room and bathroom downstairs. There are enclosed front and rear gardens, the rear backs onto fields and there are pleasant countryside views. White Lodge is sold with no onward chain.

LOCATION

Veryan is situated in the heart of The Roseland Peninsula and is famous for its picturesque round houses built by a local clergyman in the 19th century. The village lies within a mile of the sandy beaches of Pendower and Carne where there is access to some superb coastal footpaths and open National Trust land with beautiful walks. The Green is on the edge of the village and it is just a short walk down to the centre of the village which offers a thriving community with excellent day to day facilities, including a Post office, primary school, church, pub and sport club with indoor bowls and tennis courts. There is a local bus service connecting to St. Mawes and Truro. For a more comprehensive range of shopping facilities the cathedral city of Truro is approximately 12 miles distance and offers banking and shopping facilities and an

assortment of recreational activities. There is also a mainline railway station linking to London Paddington.
