VALUABLE PARCEL OF AGRICULTURAL LAND IMMEDIATELY
ADJACENT DEVELOPED VILLAGE BOUNDARY

GENERAL COMMENTS AND LOCATION

This is a very rare opportunity to purchase a compact block of agricultural land on the very edge of Goonhavern village. It adjoins the A3075 on the Perranwell side of the village and extends to over 12 acres. The land is comprised in a compact rectangular block and is divided into three fields and all in grass. It is particularly valuable due to its strategic geographic location and will be of wide appeal.

Goonhavern is a popular village just a couple of miles inland from the north Cornish coast at Perranporth and set astride the A3075 road connecting the A30 with Newquay. The village is a thriving community and with a range of facilities for daily needs including post office and shop, primary school, pub and a garden centre. The resort of Perranporth affords a wider selection of shops and is renowned for its magnificent beach and surfing opportunities. The city of Truro with its cathedral and fine shopping centre is about 9 miles away.

THE LAND

The land extends in total to about 12.5 acres and has been used by local farmers for cropping hay and silage for many years. It is virtually level with natural hedge boundaries and featuring a line of mature oak trees planted within the northern boundary.

PLANNING

The land has been owned by the same family for very many years. No formal applications for development or alternative use have been submitted to the Local Planning Authority and whilst the land directly adjoins the Goonhavern Settlement Boundary there is no implied alternative use suggested by the sellers or their agents. Prospective purchasers must rely on their own enquiries in this respect.

It is important to state that the Goonhavern Neighbourhood Development Plan (NDR) shows the majority of the frontage land of this parcel being designated as a Green Buffer Zone.
