GENERAL COMMENTS

This is a very rare chance to create a superb home in fabulous open countryside well away from any other properties within Feock Parish. The site has until recently been used as a garden and growing vegetables. Detailed planning consent has been granted to erect a brand new dwelling that has been purposely designed for the site and to make the very best of the sunny aspect and fine, far reaching views. The views are incredible from the rear overlooking Restronguet Creek and Devoran river towards Perranarworthal and countryside beyond. This is a unique opportunity.

The building is completely hidden and occupies a large mature plot that is well away from neighbouring properties and enjoys a sunny aspect. Planning consent was granted by Cornwall Council on the 5th June 2026, reference PA25/09687 for the "Erection of single storey self-build dwelling on land adjacent to The Cherry Orchard". The consent is for a modern, contemporary home that has been purposely designed for the sunny site and to make the very best of the views. The property will be almost completely hidden from neighbours. The proposed accommodation is for two double bedrooms, both with en suite's, study/third bedroom, open plan kitchen, dining and sitting room, utility and cloakroom. Mains services are very close by and a private drainage system will need to be installed. There is excellent access into the property from Harcourt Lane and a driveway leads up to the plot where the house will be set within its own grounds.

Additional land is available by separate negotiation including a mature orchard. Further information from the agents.
