GENERAL REMARKS AND LOCATION

This is a very rare opportunity to purchase a waterfront property in such a desirable location in the centre of Portscatho. Chenoweth is positioned just off The Luggar where it enjoys fabulous views out over Gerrans Bay stretching from the harbour along the coastline to Porthcurnick Beach, Pednvanan Point and Nare Head in the distance with the Dodman beyond.

The property has been the treasured home of the late owner for very many years and will appeal to those wanting a low maintenance waterside home for a bolt-hole or as a full-time residence.

The villages of Portscatho and neighbouring Gerrans between them offer a range of shops, two public houses, social club, galleries, primary school, ice cream parlour and doctors surgery. The village is situated approximately five miles from St. Mawes which has a regular foot passenger ferry service to Falmouth. The city of Truro is approximately sixteen miles by road but there is also a short cut route via the King Harry Ferry. Sailing facilities are available at nearby Percuil, there are a variety of beaches in the area whilst coastal and inland walks abound and most of which are owned and protected by the National Trust.

THE DWELLING

The property is substantially constructed with accommodation arranged over three floors. There is a garage on the lower ground floor where there is also a studio and utility area. Internal stairways provide access between all levels whilst outside steps lead up to the upper ground floor and the main entrance. On this level a hallway provides access to 3 bedrooms (or 2 bedrooms and a study) plus a shower-room and with the smaller bedroom or study having a door to the balcony extending along the entire seaward side of the building.
