**THE PROPERTY**

An exceptionally spacious detached residence offering four double bedrooms, set within a highly desirable Kenwyn location. The property benefits from generous gardens, ample driveway parking and a double garage, along with gas central heating and double glazing throughout.

Tucked away just off Knights Hill in Kenwyn, the property forms part of a small and exclusive enclave of detached homes, accessed via an initially shared driveway from a quiet, leafy lane leading towards Kenwyn Church. The front garden is laid predominantly to lawn and provides an attractive approach, while the driveway offers plentiful off-road parking. The reception hall is spacious and welcoming, with good storage and a cloakroom/WC positioned just off.

The ground floor accommodation is well arranged and flows naturally, comprising a large living room with a gas fire and views over the rear garden. This opens into the dining area, where the two spaces remain clearly defined and well suited to both everyday living and entertaining. Patio doors from the dining area lead directly out to the garden, while internal French doors open back into the hallway. A further door provides access to the kitchen.

The kitchen and utility rooms are fitted with quality cabinetry and timber worktops, creating a practical and well-proportioned space. An additional single bedroom/study completes the ground floor.
