GENERAL COMMENTS

23 Mitchell Road is an extended and extensively refurbished detached bungalow occupying a convenient position on the western side of Camborne, ideally placed for access to the A30. Finished to a high standard throughout, the property provides deceptively spacious accommodation designed to suit a variety of lifestyles, from modern family living to multi-generational occupation. A particularly attractive feature is the thoughtfully arranged layout, with part of the bungalow offering excellent potential for more independent accommodation for a dependant relative, teenager or guests.

Outside, there is ample driveway parking, a private south-facing rear garden enjoying a good degree of privacy, and an excellent garden room ideal for home working, hobbies or leisure.

The accommodation is both practical and well proportioned, comprising an entrance hallway, comfortable lounge with feature stove and a light and spacious kitchen/dining room. There are two bedrooms and a modern shower room within the main dwelling, whilst an additional section accessed from the kitchen provides two further bedrooms, one benefitting from an en-suite shower room and the other with double doors opening directly onto the rear garden. This arrangement gives the property a natural degree of separation whilst remaining entirely connected as one home.

The property is offered for sale with no onward chain.
