GENERAL REMARKS AND LOCATION

This is one of a handful of properties comprising the scattered rural hamlet of Goonpiper on the edge of Feock village just a few miles from Truro. It is essentially a rural setting and part of a belt of lightly wooded countryside close to the creeks of the Fal Estuary. Spinney Close has a sunny south facing aspect and occupies a large level plot approached by a private driveway from the minor road and sheltered with a number of mature oaks.

The bungalow is of a good size and whilst currently having just 2 bedrooms there is a generous amount of living space and potential to extend or remodel the accommodation subject to any necessary consent. There is a large sitting room,, kitchen/breakfast room with Rayburn, separate dining room, study, main bathroom and separate shower room. An integral garage currently combine use as a workshop and utility room and there is a further garage adjacent as well as plenty of parking space.

The area around Feock is known for its scenic attraction and being approximately five miles south of Truro. It is a thriving community and has a Parish Church. The area is very popular with sailing enthusiasts, Loe Beach (one and a half miles) provides easy access to launch boats from a public slipway and gives access to the sailing waters of the Fal Estuary (Carrick Roads). The Cathedral City of Truro is easily accessible and provides an excellent shopping centre including a Marks and Spencer store, main line railway station connecting to London (Paddington) and a good selection of both private and state schools. The Hall For Cornwall provides all year round entertainment and there are golf courses at nearby Killiow and Truro. The historic Port of Falmouth is within ten miles with further shopping and leisure facilities.
