GENERAL COMMENTS

Frogmore Cottage is a pretty character cottage located along Mill Lane and enjoys far reaching rural views from the front. The location is particularly pleasant being very quiet yet within a very short walk of the village facilities including shop and public house. The property is very well presented throughout and retains much charm and character including exposed beams and open fireplace in the sitting room with modern additions such as double glazing. The accommodation includes three bedrooms on the first floor with lounge/dining room, kitchen, small utility, bathroom and separate shower room downstairs. There is a definite sense of luxury in the modern twin bath and shower rooms that have underfloor heating. The first floor enjoys superb views over the valley of farmland below through which runs the River Fal. It has been a successful holiday cottage for the last fifteen years. The cottage is being sold with no onward chain and is ideal for first time buyers, investors or alternatively an ideal bolt hole/second home. An internal viewing is essential.
