GENERAL COMMENTS

17 Tinney Drive is a beautifully presented and well maintained detached house which occupies a surprisingly large plot measuring approximately a quarter of an acre, an absolute rarity for this type of property in Truro. Such a generous site provides potential for further off road parking with space for a motor home, caravan, or boat. The garden is a blank canvass with a large lawn and hosting a couple of mature trees with views over the city to the Cathedral. It is perfectly safe for children and pets. There is huge potential to further extend the house or possibly create a new dwelling all of which would be subject to the necessary planning consents.

The property enjoys light and spacious accommodation over two floors providing a versatile arrangement for a range of potential buyers. The split level layout provides three first floor bedrooms, the master with an en-suite as well as a family bathroom and the living area which incorporates a recently refitted kitchen, open plan to the dining room with patio doors to the rear garden as well as a lounge with bay window to the front.

The lower ground floor comprises a cloakroom, bedroom 4 or study with doors opening to the rear garden as well as access to the double garage and utility room. The property has double glazing and gas central heating with recently replaced carpets and recently redecorated throughout.

This is a superb opportunity to purchase a great home with a large garden all of which lies in a highly sought after location within Truro. One not to be missed.

LOCATION

Tinney Drive is located on the eastern side of the city in a modern yet established residential development, sought after due to its proximity to Penair Secondary and Truro School which are both within a very short distance from the property. Waitrose supermarket is also closeby as is the Saturday Farmer's Market at Tresemple.

Truro is renowned for its excellent shopping centre, fine selection of restaurants and pubs. Truro also has a main line railway link to London (Paddington). The Hall for Cornwall is also a popular venue providing all year round entertainment and other cultural facilities include the Royal Cornwall Museum and the historic Cathedral.
