THE PROPERTY

Abbey Cottage is a terraced village cottage which is positioned in the very heart of Probus, close to the shop, bus stop and social club. The property is offered for sale with no chain and vacant possession and therefore ideal for any potential buyer looking to move quickly. The property has been a cherished home for many years although it is fair to say that the property is now in need of general updating and modernisation however it offers great potential. Along with off road parking to the front there is a surprisingly large, level rear garden which enjoys a sunny aspect and a rarity for this type of property in such a convenient location.

The accommodation comprises a sitting room, kitchen/dining room to the ground floor with two bedrooms and a bathroom to the first floor. The property has electric heating although gas is available in the road and the windows are double glazed throughout.

PROBUS

Probus is a thriving community approximately six miles east of Truro and a little further west of St. Austell. The village has an excellent range of everyday facilities including Parish Church, public house, primary school, farm shop, general stores with post office, village hall, Chinese and Indian takeaways and even a fish and chip shop. A very regular bus service connects to both St. Austell and Truro and here there are a wider range of facilities including banks, building societies, schools, colleges and main line railway link to London (Paddington).
