GENERAL COMMENTS

22 Park View is a spacious detached dormer style bungalow that has been transformed during our clients ownership and is now a sizeable family home. The property is beautifully presented with light and spacious accommodation. Originally a modest bungalow, the vendors have converted the attic creating two double bedrooms and bathroom, the roof was replaced and two dormer windows have been added. All of the rooms are very light and spacious. The location of Park View is very convenient and whilst very peaceful, it is within walking distance of the city centre and within excellent school catchments. The accommodation includes a superb kitchen/dining room, utility, sitting room, bathroom and four double bedrooms (two on each floor). The master bedroom has an en suite shower room. Outside are front and rear gardens that enjoy a sunny aspect and privacy, driveway parking for five cars and a single garage. The house is gas centrally heated with double glazing. An internal viewing is essential.

Many of the facilities and amenities of the city are within walking distance and a fine shopping centre boasts a wide range of national multiples and smaller shops, pubs, restaurants, banks, building societies and both primary and secondary schools.
