GENERAL COMMENTS

Tre-Ru House is a distinguished detached period townhouse, enviably located in the very heart of Truro City. Currently utilised as office space, the property offers significant potential for conversion into a private residence, subject to the necessary consents.

Rich in character, the house features a tessellated tiled floor in the entrance porch, an elegant turning staircase with a galleried landing, and charming leaded multi-paned windows, including generous bay windows that enhance the sense of light and space throughout.

Notably, the property is not listed and lies outside the conservation area, offering added flexibility for future development. To the front, there is ample parking for several vehicles, and the possibility exists subject to the appropriate consents for the addition of a garage or covered parking.

Further development opportunities may include conversion into multiple apartments, subject to planning permission. Sold with vacant possession and no onward chain. Viewing is imperative to appreciate the size and scope of the property.
