GENERAL COMMENTS

Situated in the very centre of the village, this charming mid-terraced cottage combines classic character with a series of recent improvements. The current owners have installed a stylish new kitchen and upgraded to modern electric radiators, while also replacing some of the double glazing to enhance the energy efficiency. Freshly redecorated, the interiors are presented in good order. At the same time, there remains an opportunity for a new owner to place their own stamp on the property, most notably by updating the bathroom, to further personalise the space and add future value. Offered to the market with no onward chain.

In all the accommodation offers a porch, lounge, kitchen/dining room, bathroom and utility. To the first floor there are three bedrooms and a w.c.
