## GENERAL COMMENTS

This is an increasingly rare opportunity to purchase an individual building plot within an established residential development on the outskirts of St Austell. Planning permission was granted by Cornwall Council on 14th June 2019 (Reference PA18/09807) for a "Two bedroom single storey dwelling" on Land West Of 76 Hallane Road St Austell Cornwall PL25 3EL. The planning granted is for a spacious detached bungalow with two double bedrooms, spacious entrance hall with airing cupboard, kitchen/dining room, sitting room with woodburner and bathroom. Outside is private parking for two vehicles and a good sized enclosed garden that enjoys a sunny aspect.

Please note that the fencing has been installed and Condition Number 4 (fencing) has been satisfied by Cornwall Council therefore a lawful material commencement of building has commenced and the planning permission will not now expire.

## LOCATION

The location of the building plot is very pleasant, being at the far end of the development on a large corner plot. St Austell is within easy reach as is the A39 for quick commuting, the south Cornish Coast, Eden Project, Charlestown and Fowey are also close by. The market

town of St. Austell has an excellent range of everyday facilities and there is also a main line railway link to London (Paddington). An early viewing is recommended to avoid disappointment.

## CONDITIONS

1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: In accordance with the requirements of Section 91 of the Town and Country Planning Act 1990 (as amended by Section 51 of the Planning and Compulsory Purchase Act 2004).

2 The development hereby permitted shall be carried out in accordance with the plans listed below under the heading "Plans Referred to in Consideration of this Application".

Reason: For the avoidance of doubt and in the interests of proper planning.

3 The development hereby permitted shall not be occupied until the installation of a system to serve the development for the disposal of sewage and surface water runoff has been completed in accordance with details which shall first have been submitted to and approved in writing by the Local Planning Authority. The details shall include a programme for maintaining the

system if required. The system shall be retained and maintained thereafter in accordance with the approved details.

Reason: In the interests of water quality and the residential amenities of future occupiers and neighbouring properties and in accordance with the aims and intentions of paragraph 170 of the National Planning Policy Framework 2018 and Policy 26 of the Cornwall Local Plan Strategic Policies 2010-2030.

4 Before the development hereby permitted is occupied, details of the proposed height, siting, appearance and construction of all boundary treatments (means of enclosure) shall be submitted to and approved in writing by the Local Planning Authority. The approved boundary treatment (means of enclosure) shall be completed in accordance with the approved details prior to the first occupation of the development (or the use hereby approved is commenced) and notice shall be given to the Local Planning Authority when the approved scheme has been completed. The boundary treatment (means of enclosure) shall not thereafter be altered or removed, other than by necessary replacement.

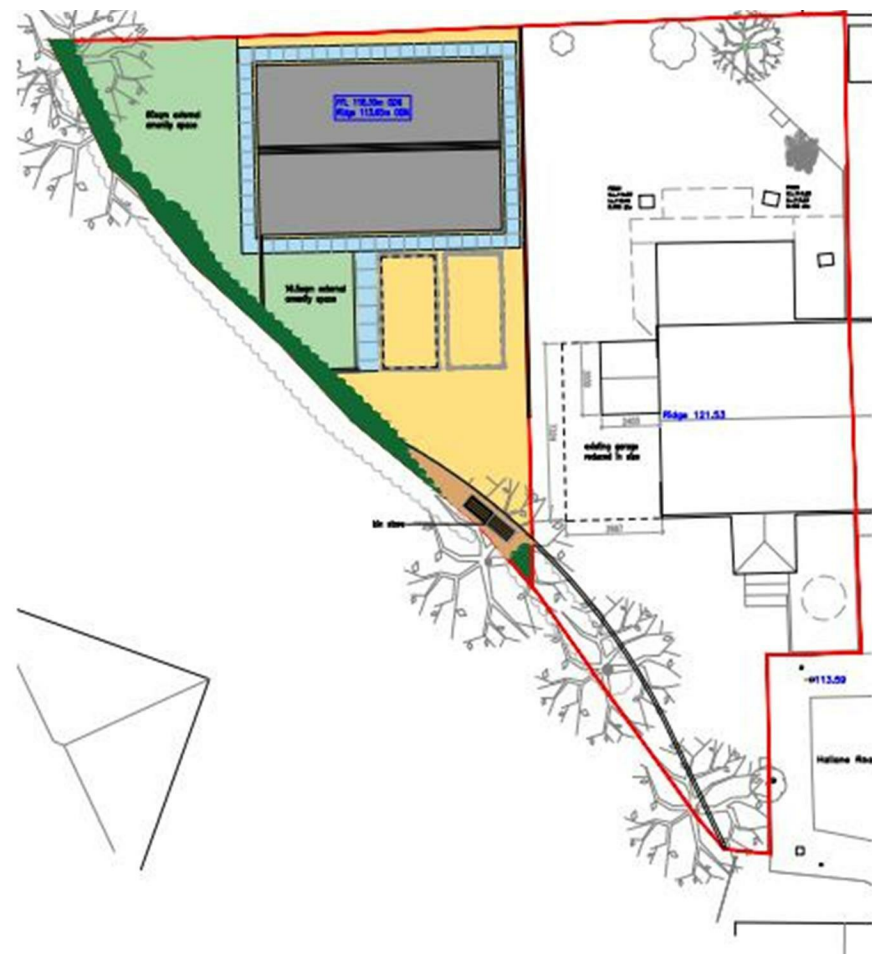

Reason: In the interests of visual and residential amenity and in accordance with the aims and intentions of paragraphs 8 and 127 of the National Planning Policy Framework 2018.

## SERVICES

Mains water, gas and drainage are believed to be in the road but purchasers must make their own enquiries to confirm this.
