## GENERAL COMMENTS

Lowarn Bre Farm comprises a detached bungalow, outbuildings, sand school and approximately SIX acres of land in a delightful rural location on the outskirts of Bissoe. The location is very special and there is excellent riding opportunities for equestrian enthusiasts with safe hacking-out. The bungalow is in need of complete refurbishment but offers tremendous potential and it is very likely that the site could be redeveloped (subject to consents). The accommodation includes two bedrooms, sitting room, kitchen/dining room with Aga and bathroom.

Below the bungalow is a range of stables and a huge modern agricultural building which has also been used as stables in the past. The land is split into two blocks and is being marketed separately. The top fields extend to approximately SIX acres and include a sand school. The lower fields (approx FOUR acres) include three separate paddocks. All the fields have water troughs.

A further 4 acres available via separate negotiation. Available as a whole or divisible into several lots.

## LOCATION

Bissoe is a scattered rural community at the head of the Carnon Valley not far from Cusgarne and the larger village of Perranwell. It is an area that has largely escaped the ravages of over-development and is notably unspoiled and pleasantly rural. Local facilities in nearby Perranwell include pub, post office and shop, there are primary schools at Cusgarne and Perranwell and a Costcutters supermarket as well as an excellent doctors surgery at Carnon Downs which is about two miles away. The city of Truro with its Cathedral and fine shopping centre is about four miles.
