GENERAL REMARKS AND LOCATION

This is a very unusual opportunity to purchase a detached property located in the centre of a favoured village and with additional land which has development potential. It will appeal to a wide range of buyers but especially developers and possibly someone wanting to build their own exclusive home whilst residing in the current property. Bosveagle has been in the same family ownership for many decades and it is believed no planning applications for development have previously been sought.

Whilst the overall site is clearly located within the recognised development boundary of the village the agents suggest that prospective purchasers make their own enquiries regarding any future prospects.

Bosveagle is set well back from Bridge Road and a hard surfaced forecourt/driveway provides plenty of parking and turning space. Being adjacent to the local post office and shop it is a very convenient location and within level walking distance of other local facilities including the pub, primary school and garden centre. Goonhavern is a popular village community set astride the A3075 and just 2-3 miles inland from the north cornish resort of Perranporth known for its spectacular beach and surf. Newquay is about 6 miles away and the city of Truro with its cathedral and shopping centre about 9 miles.

THE BUNGALOW

The current dwelling is thought to date from the 1970 era and is substantially constructed with rendered and coloured elevations under a concrete tiled roof and with some decorative tile hanging to the front gable. Overall the bungalow has been a cherished family home for many years and whilst centrally heated and double glazed some

updating would now be beneficial. Internally there are 3 bedrooms, a fully tiled bath and shower room, spacious lounge/dining room, conservatory and kitchen.

In greater detail the accommodation comprises (all measurements are approximate):

ENTRANCE PORCH

with door into:

HALLWAY

a spacious area with doors off to all internal rooms. Two radiators and burglar alarm controls.

LOUNGE/DINING ROOM

19'10" x 12'5" (6.06m x 3.79m)

focusing to a tiled fireplace with open grate, two radiators and door to conservatory.

overlooking the rear garden and accessed from both the lounge and kitchen and with door to the outside. Electric panel heater.

KITCHEN

15'1" x 9'0" (4.60m x 2.75m)

fitted with a range of units comprising wall and base cupboards, work surface area with sink and drainer inset as well as ceramic hob and integral oven. Further built-in storage cupboards (with hot pipes for use as Airing Cupboard), Worcester oil-fired central heating boiler and quarry tile floor.

BEDROOM 1

10'9" x 11'3" (3.29m x 3.43m)

with built in wardrobe with integral drawers and hanging rail. Radiator.

BEDROOM 2

13'10" x 10'11" (4.23m x 3.33m)

with wash hand basin and radiator.

BEDROOM 3

BATH & SHOWER ROOM

being fully tiled and with bath, shower area, wash basin and wc. Heated towel rail.

OUTSIDE

The driveway leading into the property circles a gravelled centrepiece and also leads to a DETACHED GARAGE alongside the bungalow. The garage area has an up and over door and has light and power connected. Integral with the building there is a fully tiled WET ROOM with wash basin and wc and also a WORKSHOP.

The garden to the bungalow lies chiefly to the rear where an area of lawn is interspersed with a selection of mature shrubs and trees and which is surprisingly private. A number of shrubs also line the front entrance drive which continues to the side of the bungalow to a vehicular gate providing access into the PADDOCK. This is entirely in grass with a number of maturing pines alongside the boundary. The total site area is approximately 0.63 of an acre.
