THE PROPERTY

Nestled within a wonderfully mature and private garden setting, this individual detached residence offers spacious and characterful accommodation with tremendous scope for modernisation and enhancement. Approached via a driveway with garage and surrounded by established greenery, the property enjoys an exceptionally peaceful atmosphere whilst benefitting from versatile family accommodation arranged over two levels.

The semi wild gardens are a particular feature of the property, extending around the home with terraced seating areas, lawns, mature trees and a wealth of shrubs and planting, creating a secluded outdoor space.

Internally, the accommodation is generous and well-balanced, retaining a warm and homely feel throughout. The lounge is a bright dual-aspect room with a feature fireplace and enjoys views overlooking the gardens. The kitchen is fitted with a range of traditional units and pleasant garden views, whilst a separate utility room provides further practicality.

There are four bedrooms in total, all enjoying attractive outlooks across the surrounding greenery, together with a family bathroom. There are three first floor bedrooms and one ground floor. The layout offers flexibility for growing families, home working or multi-generational living, subject to individual requirements.

The property would now benefit from a programme of updating, presenting an exciting opportunity for purchasers to create a superb home in a delightful and highly private setting.

Outside, the driveway provides off-road parking and leads to a detached garage. Stone retaining walls, winding pathways and elevated lawned areas combine to give the gardens a wonderfully established and almost woodland-like feel.

A rare opportunity to acquire a detached home occupying such a mature and secluded plot, offering enormous potential in an attractive setting.
