GENERAL COMMENTS

A wonderful opportunity to purchase a large detached dormer style bungalow located in the heart of Probus village, just off the main thoroughfare within a short distance of local amenities. Originally built as a modest bungalow it was transformed by the previous owners by converting the loft into two additional double bedrooms, the master has a luxurious en-suite shower room and this could be replicated in the second bedroom if required. On the ground floor is a magnificent hallway with solid oak turning staircase, sitting/dining room, fitted kitchen, two further double bedrooms and bathroom. The house has mains gas fired central heating and is double glazed throughout.

The large gardens are located at the rear of the bungalow and are enclosed, therefore safe for children and pets. There are fabulous uninterrupted countryside views from the rear and the garden enjoys the afternoon and evening sun. At the front is private parking for two cars and a superb detached double garage with useable work space above.

An internal inspection is highly recommended and essential to appreciate the size and layout. Gwel Lamellyn is being sold with no onward chain.
