Property Overview

Local Area:

Of all the prime London districts, St John's Wood is perhaps the greenest and most spacious. In the 19th century it was the haunt of artists and authors; today, the area includes extensive retail amenities, fine restaurants and a lively social scene. It is popular with both residents and businesses due to its location into the West End of London, Baker Street being on a few minutes by car or bus and St Johns Wood (Jubilee Line) only a few minutes walk.
